

Keep Them Busy With...

Celery

Activity Three: Celery Stamp Roses

Roses are beautiful any time of year, but they can be tricky to paint. That's where celery comes in handy! Paint a dozen roses in no time by tying an elastic band around a bunch of Dandy® celery and cutting across the middle. You should see a naturally occurring rose shape, with stems that create overlapping layers arranged perfectly around the center. Dip your celery in a shallow dish of paint, and stamp firmly onto craft paper. Draw a stem below your flower to create a beautiful bouquet!
