

Help pick the perfect avocado for today's snack!
 Write < (less than), > (greater than), or = (equal to)
 to complete each statement. Then follow the greater
 than symbols to move straight from hard to ripe.

2. PRE-CONDITIONED
 Ripening has begun, but the
 avocado is still very firm.

1.  **1. HARD**
 Fresh off the
 tree, the avocado
 is very hard with
 no give.

2.

hint:
 the arrow
 of each
 symbol
 always
 points to
 the smaller
 number!

55 17 98 71

3. BREAKING
 As it ripens, the avocado is firm,
 but yields slightly to pressure.

41

3.

55

6 2

5. RIPE
 The avocado is ripe
 and yields easily to
 gentle pressure. Best
 for guacamole!

5.

Challenge:
 Last month, 748
 avocados were
 grown. The month
 before, 654.

748 654

4.

4. FIRM-RIPE
 The avocado is ripe and yields slightly to
 gentle pressure. Good for slicing and cubes.
