

Virtual Valentine's Day Scavenger Hunt

1. Wait for your teacher to read the card.
2. SAFELY (no running) get your item.
If you need help, ask an adult.
3. Bring the item back to your computer and
hold it close to the camera.
4. At the end of our game, put all of your items away!

Roses are read and
violets are blue,
**if you want some points,
go grab me a shoe!**

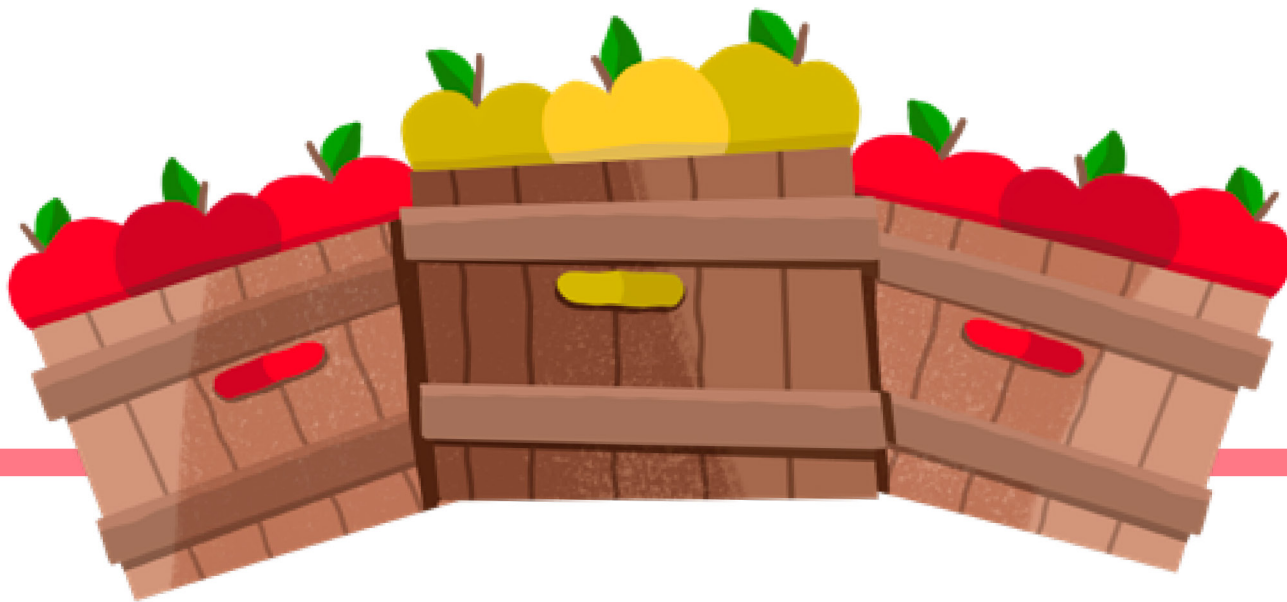

Be mine, Valentine!
**Take a moment and
bring me something
that shines!**

Of core-se you're the
apple of my eye!
**Bring me a food that's
totally appealing!**

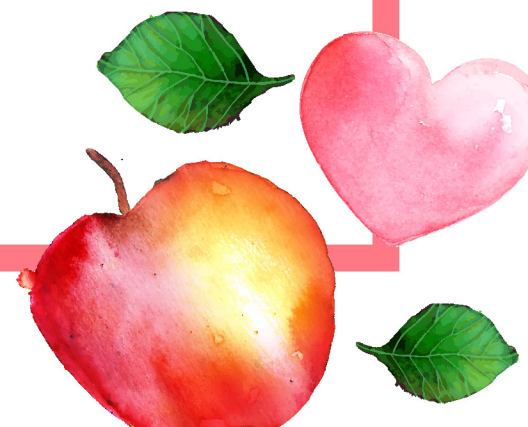

You make me smile!
**Grab something from
the place you rest
your head awhile.**

Love is tender,
love is sweet.

**Open the fridge and
bring a cold and healthy
treat you like to eat!**

The smell of flowers
fills the air,
**Bring something from
the place where
you wash your hair!**

Valentine, you rock.
**I'm shiny and jingle and
help car doors unlock!**
