

Find solutions so all equations are correct.  
Solve problems and write your answers in the empty honeycombs.

A honeycomb grid of 25 hexagons arranged in a 5x5 pattern. The grid contains numbers and math symbols in some cells, and empty hexagons in others. The numbers are: 6 (top center), 3 (middle left), 1 (middle right), 7 (bottom left), 6 (bottom center), and 5 (bottom right). The math symbols are: +, -, and =. There are three cartoon bees: one on the left side, one on the right side, and one at the bottom center.

NatureSweet® is committed to raising tomatoes right. And just as Mother Nature intended, bumblebees play an important role in the growing process. They pollinate the tomato flowers.
