

This busy bee is getting snacks for her family.
She has two children. They LOVE tomatoes! Their names are Buzz and Betty.

Buzz only likes **EVEN** numbers. Betty only likes **ODD** numbers. Solve each equation and color the even solutions **RED** for Buzz and **YELLOW** for Betty.

BETTY
1, 3, 5, 7, 9

BUZZ
0, 2, 4, 6, 8

A large bee is in the center of a honeycomb grid. Each cell contains an equation. The cells are colored yellow or orange. The bee is yellow with black stripes.

$5-2=$	$1+8=$	$3+6=$	$5+3=$
$10-3=$	$7-3=$	$2+2=$	$9-5=$
$1+1=$	$8+2=$	$4+3=$	$6-2=$
$7-2=$	$3+4=$	$8+1=$	$6+4=$
	$5+2=$	$4-1=$	

Some cells contain numbers: 7 (yellow), 8 (red).
