

NAME: _____

1. Color the plum and the stages of its life cycle.
2. Carefully cut out the 6 life cycle stages and put them in order.
3. Glue the life cycle stages onto the template.
4. Cut around the outside of the template.
5. Fold along the vertical lines. Look at the folding guide for help with this part.

SAPLING	SEED	FLOWERS	SPROUT	BUDS	FRUIT
